The Jewish Federation of Victoria and Vancouver Island (JFVVI)

Is the umbrella organization of the Jewish Communities of Victoria, Vancouver Island and the Gulf Islands. Since 1987 we have been a vital agency of community development, providing financial assistance to Jewish Community groups, families and individuals in our region. We are members of Jewish Federations of Canada–United Israel Appeal through which we contribute to supporting projects in Israel. We are also a member of Center for Israel and Jewish Affairs (CIJA), the advocacy agent representing Jewish Federations across Canada
